Foreword

Another year has ended in temporary facilities at the City Hall Building, Masonic Temple and Seneca Grade School. With the official change of its name after the 1968-69 term, Seneca Public High School has reached the end of an era which stretches back 111 years. The public school system at Seneca had its start in 1858 as the third public school to open in Nemaha County.

Seneca Public High School has had more than 1,000 graduates since the opening April 28, 1890, of the recently demolished high school. The correct number will probably never be known because the high school had been in operation for a great number of years prior to establishment and maintenance of Alumni Rolls.

The 1969-70 school year will begin a new era under its new designation, the Nemaha Valley High School. For the first time since unification of Seneca and Kelly High Schools in the spring of 1966, high school students will unite to begin new friendships and new traditions. In the near future, students will have a new high school with an updated curriculum which will give them an advantage never before possible.

Alumni of the old high school facility will always remember their "Alma Mater." Students graduated during the era of "temporary facilities" will always remember how they successfully continued their educational pursuits. The "Class of 1970" can look forward with pride to the fact that they will be the first to pass through the doors of Nemaha Valley High School as graduates of the new educational system.

Dedication

Since this will be the last annual made at Seneca Public High School, we the members of the 1969 Annual Staff dedicate the "TIGER" to YOU -

the students who have sustained and promoted the "Great Tiger Spirit," and the teachers who have taught through the years at Seneca Public High School.

The old "TIGER" and "the orange and black" will be long remembered.

THE TIGER STAFF

Administration

Superintendent

GERALD J. FENCIL

Congratulations to the Annual Staff and its sponsor on the production of this historical 1969 "Tiger."

You have diligently recorded the events that will be a permanent record of this school year.

To the Class of 1969, it has been a pleasant year working with you. To the lower classmen, you have one or more years ahead to accomplish the goals you have set for yourself.

It is my wish that all of you attain these goals and graduate with the knowledge that you have done your best.

Honor Graduate

STANLEY MURPHY

Highlights of 1968-69

The 1968-69 school year started off with Roy Long being elected as Class President and Bruce Murray becoming Vice President. Other officers included Barbara Broxterman, Secretary; Steve Tevis, Treasurer; and Brian Diggs, Student Council Representative. Marcia Krotzinger was elected by Mr. Noley to be Editor-In-Chief of the Yearbook.

For Homecoming activities, Julie Davin and Stan Murphy reigned as Football Queen and King. Marcia Krotzinger, Donna Kuykendall, Barbara Broxterman, Tim Murphy, Harold Carr, and Craig Cooper were Queen and King Candidates.

Two major fund raising activities, a magazine sale and wrestling match, were held to enable the class to have sufficient funds for their trip to New Orleans which was taken in the Spring. All reported a pleasant experience.

To end the year, Stan Murphy was named Honor Graduate at the Annual Awards Night program.

Class Has Good Year

The Junior Class started out the school year with Rick Kussman elected Class President. Other officers included Steve Songer, Vice President; Karen Sauer, Secretary; Diane Nordhus, Treasurer; and Mary Masonbrink, Student Council Representative.

Major projects included operation of the football and basketball concessions at home games, a sausage and pancake supper, car wash, and cookie sale. All proceeds were to be used for payment of expenses for the Junior-Senior Prom and Banquet and to help defray expenses for senior activities.

Scenes From Awards Night — 1969

For many students at Seneca Public High School, the Annual Awards Night program is the highlight of the school year. This is the night when faculty members representing all high school departments issue awards for jobs well done. It is the night when those who have maintained a high academic standing are honored. This is a pictorial account of Awards Night, 1969.

KAYETTES ACTIVE DURING 1968-69

The 1968-69 year began with a membership drive to encourage girls to become Kayette members. Thirty-six joined the order.

A bake sale was held at the beginning of the year netting a fine amount for the year's expenses. Projects for the year were as follows: A donation of \$10 for the new shelter house in Seneca; Kayettes helped to sell books at the Book Fair held in the school library; by classes, the girls planned teachers' appreciation for holidays occurring during the school year. A collection was taken for "Meals for Millions" at Christmas time. "March of Dimes" envelopes were addressed and sent to residents of the county. Easter and May baskets were made for patients of Seneca Hospital; a baby shower was given by the Kayettes for Mrs. Peterson and a farewell breakfast was given for the senior girls. The members had a Clean-Up Day in the early spring.

In March, the Kayettes invited the Kelly High School girls to accompany them to a regional meeting at Onaga. Miss Vinson, the director of Kansas Association of Youth gave an inspiring talk to both Kayettes and Kays.

Delegates chosen for the August 15-19 summer camp to be held at Rock Springs Ranch near Junction City were Brenda Diggs and Mary Masonbrink.

Senior Sneak Scenes

The highlight of the 1968-69 school year was the Senior Sneak trip to New Orleans. The trip from Kansas City, Missouri to New Orleans was via the Kansas City Southern Lines Railway System.

Highlighting the tour down was a derailment which caused a considerable delay. There were no injuries.

Upon arrival at New Orleans, a tour agency made arrangements for numerous tours throughout the old historical city. The return trip was again by train to Kansas City.
